Living in Cape Town

Cape Town is one of the most multicultural cities in the world. It is not only the most popular international tourist destination within South Africa but also the entire African continent. The Mother City has something for everyone, from lavish and luxurious safari's to backpacking on a tight budget.

The climate is wonderfully mild, the sights range from historical castles to ultra-modern art museums. Blue flag beaches like Camps Bay adorn our shores and are a stone's throw from the city centre. Table Mountain, Lion's Head and Devil's Peak offer an array of wonderful walks, trails and hikes. Thousands visit the city each year for its affordable nightlife and entertainment, excellent restaurants, wine estates and bars.

During your stay in Cape Town you will have the opportunity to immerse yourself in the culture of this amazing city while rapidly improving your English. As you explore and acquaint yourself with the city, you are sure to increase your English language skills both inside and outside the classroom.

Our Location

IH Cape Town was established in 2008 and has become an institution within the South African EFL (English Foreign Language) market. We are located in the midst of shops, restaurants, banks, bars, cafés and much more, with a bus stop conveniently right outside our door.

The school spreads over two floors. On the first floor we have classrooms, offices and a kitchen area. On the second floor we have our spacious PSP area including a digital resource center and social space. You will also have access to our conveniently located co-working spaces, which offer fast wifi and access points for your devices. As we are located in the city centre, students have easy access to world famous attractions within minutes. Green Market Square, the V&A Waterfront, The Castle of Good Hope, Company Gardens, Table Mountain and an array of museums are all in close proximity.

We offer accommodation within walking distance or a short bus ride away. You can choose between immersing yourself into the home of one of our trusted host families or join other international students at our various student residence options.

Project 1

Adventure Surf club

The children on this programme range from 10-16 years old and live in townships in Cape Town. The main goal is to keep them off the streets after school. As a volunteer you will help teach valuable life lessons through adventure activities, teamwork, educational classes and sports such as skateboarding, swimming or surfing. For most of the children this is the highlight of their day, which is why we also use it as an incentive for them to do well in school.

Project Highlights

- Learn to surf and teach children how to surf
- Spend your days on the beach, play beach sports
- Gain experience working with children

Project 2 Sports & Youth Development

This project is for children from severely disadvantaged areas. After school we do various sport projects where we teach and play team sports, which not only develops children, but is also a way for the children to be exposed to better role models.

Project Highlights

- Experience township culture
- Help lower socio-economic problems
- Make a genuine difference
- Learn about South African cultures
- Learn to assist in sport programmes of varying age groups
- Skills developments for the children
- Make new friends

English & Volunteer

Combine your English studies, either before or after a course, with a volunteering experience. Volunteering in South Africa is a great way to give back to the community, to make a difference in the lives of others while also experiencing all that Cape Town and South Africa has to offer. Volunteers pay a fee that covers the costs of their stay such as accommodation, transport and meals as well as a donation that assists to finance the projects. In return, volunteers get to experience African culture, see our beautiful country, learn some new skills and make a difference to those people and communities most in need. Most importantly you will make many new friends and memories that will last a lifetime, and you will return home a changed person.

Choose from one of our four different volunteer programmes:

- Humanitarian
- Conservation
- Wildlife
- Sports & Skills Development
